Stewardship Moment

Mark 9:32 – “But they did not understand the saying and were afraid to ask him.” The disciples really do hold up a mirror to our faces and force us to see ourselves: misunderstanding, afraid, confused. But the Word of God is clear if only we will listen with open ears. What was blocking the disciples' ears? The Gospels tell us time and again: they did not expect a suffering Christ, and so when Jesus spoke of suffering they plugged their ears and didn't listen, and so they ended up confused and scared. What about us? What's in the Word of God that we find hard to hear and contrary to our desires and expectations? That might just be exactly what we need to hear.
