Stewardship Moment

Matt. 2:11 – “And going into the house they saw the child with Mary his mother, and they fell down and worshiped him. Then, opening their treasures, they offered him gifts, gold and frankincense and myrrh.” Worship and the giving of gifts go together. This makes sense because God is the great Giver of every good gift, and we worship Him and desire to grow into His image. We receive His gifts in worship and then, being conformed to the likeness of His image, we imitate His generosity.

The Epiphany of Our Lord

The Ladies Aid of St. Paul have proposed an improvement be made to the church entry for safety reasons. This would include the steps, sidewalks and entry deck. Over the years falls have resulted in broken bones and many scrapes and bruises. The uneven steps and awkward reach from the rails to the doors have contributed to the problem. We are proposing a flat deck be constructed from the doors to the sidewalk. Steps would be built on either side of the deck to the sidewalk. Also suggested is decking to be built from the front to the side entry. Because of rules for ramps, we could then expand the side ramp so that caskets could make the turn. (See the Architect's suggested drawing at the entrance to the church.) The Ladies Aid have designated \$3000 to start the fund for this project. They will add funds as money becomes available. We can not give a total cost for this project until drawings are complete and approved. However, we anticipate it will be over \$20,000. Anyone who would like to contribute to this project can do so by using a "Designated Envelope" and mark it "Church Entry Project". Make checks payable to "St. Paul Church Entry Project".
