Stewardship Moment

Hebrews 9:12 – “He entered once for all into the holy places, not by means of the blood of goats and calves but by means of his own blood, thus securing an eternal redemption.” What price could cover our sins? What could we pay God to forget our wickedness? The only price that could redeem us was the very Blood of the Christ. His sacrificial giving sets the pattern for our life – for how can we who are redeemed by the self-giving of God not also give of ourselves to His Kingdom?

Church Entry Project update: Money continues to come in for the this project. We will do this project in two phases, the front only as the first phase and then the connecting of the the two entrances as the second phase. The next drawings are being made and an estimate of the cost for Phase I is being worked on. Phase I should make the entrance much safer. Since there are no Designated Fund envelopes in the new 2019 envelope boxes, donations can be made by making your check to "St. Paul Front Entry Project" and placing your check in the offering plate. Your envelope number will be added and your account credited. Donations in any amount are greatly appreciated.
