Stewardship Moment

Luke 16:8 – “For the sons of this world are more shrewd in dealing with their own generation than the sons of light.” The sons of this world know that they should use their wealth wisely to provide for their future. Shouldn't we “sons of light” know that the wealth God has allowed us to manage should be managed for God's purposes in the roles He has given us in Church, home, and society?

Church Entry Project: We now have over \$30,000 committed to the Entry Project. The bid for Phase 1 of the project is \$54,600. We are thankful for all the contributions we have received. We have also had some talented people who have volunteered to do some of the labor on the project. The new entry will be safer and help in preventing falls. If you wish to contribute to this project, make your check payable to "St. Paul Front Entry Project" and place in in the offering plate or drop it off at the church office.
