Jamie & Adelyn Lipe and Heather Garner will be traveling to in August with Generation Next and the Living Well Project, which has been a local project by Ashley & Paul Grindstaff, on a mission trip to bring clean water and share God's love to rural Kenya. We will be visiting the Generation Next Academy which is a faith based school serves over 50 children as well as meeting their families in their homes. We can't wait to meet the kids and their families and witness their way of life but we know we can't get there without help. Not just financially but through prayer. Prayers for safe travels. Prayers for good health. If you would like more information on how to support our mission
