It has been said that, Timing is everything. Have there been times in your life when you were in the wrong place at the wrong time? Who hasn't? I can speak for myself that sometimes it was no fault of my own and other times I was 100% responsible. We tend to regret these times in our lives.

But then there are those times in our lives when we are in the right place at the right time. When something good happens that you didn't expect. I am sure I am not alone when I say if I had to choose I would definitely prefer the latter. But then sometimes we don't get to choose, life happens.

Have you ever stopped to think that whether you are in the right place at the right time or in the wrong place at the wrong time you are exactly where God wants you?

It is easier to say it was God's will when we are in the right place, but not so easy when we are in the wrong place.

So I ask you, Where are you right now? Where are we as a church right now? I truly believe we are right where God wants us to be. God doesn't intentionally put us in harms way or situate us in the wrong place. What God does do is work incredible GOOD out of tragedies, out of being in the wrong place at the wrong time.

Maybe we care are always in the right place at the right time. I think of the financial crisis the world is working through. I think of the ever present threat of future terrorist attacks. I think of hearing that America is no longer a Christian nation. And I can't help but think of where we are here at St. Paul Lutheran Church!

If timing is everything then it is time to trust in God and the power and hope of the resurrection of Jesus Christ. It is time to depend on the everyday presence of the Holy Spirit in our lives. Time to leave everything in His hands!

Keep 1 Peter 5:6-7 in your thoughts: Humble yourselves, therefore, under the mighty hand of God so that at the proper time he may exalt you, casting all your anxieties on him, because he cares for you.

## TODAY'S LIGHT BIBLE

Sharpen the Focus:

Their friend was about to die. The disciples' dreams of a glorious earthly destiny would die with Him. Fear flooded their hearts. Jesus knew. He understood. And so He spoke to them about their fears. Tender words. Encouraging words. "Stop letting your hearts be upset." He says in essence (John 14:1). How were they to do that? The last part of the verse explains; "Keep on trusting in God; keep on trusting in Me." As long as they could see Jesus, as long as He walked and talked and taught them, trust wouldn't be too tough. But once He was crucified, once He died, once He arose and ascended into heaven, their human eyes would not see Him. Would they trust Him even then, even when it looked like they were on their own? Yes, they would. Yes, as by the power of the Holy Spirit they kept their focus on Jesus and on the heavenly Father whom Jesus had revealed to them. What upsets or worries you today? You need not let your heart be troubled or afraid. Focus on Jesus, on His word, on His death and resurrection for you. Trustingly, throw yourself into the Father's arms. He will keep you safe here until He comes to take you home to Himself.

The Lord's Learners' Bible Study meets every Sunday evening in the Lower Level 6 PM to 7:30 PM. We are studying the Book of John, led by Doug Pratt.

May 30th - Bible Study will not meet Memorial Day weekend.

## St. Paul Lutheran School

St. Paul Lutheran School theme for this school year.

Love the Lord your God, with all your might, all your soul, with all your mind, and with all your strength.

Mark 12:30

Is another school year almost over already? I've heard that time goes faster the older you get. That could be it. I've also heard that time flies when you're having fun. That must be it!

How can so many things get squeezed into one month and still have some learning going on? That is not always easy. The month begins with our dinner/auction. What excitement and what special activity around school these days. We have musicals and choir concerts that require extra practices to be as good as they always are. Most classes have special field trips or picnics planned for the next couple of weeks. Track meets provide extra challenges for our students.

We will also take time out on Sunday, May 16, to enjoy a special brunch with Miss Zilm. She has been a blessing to St. Paul Lutheran Church and School the last three years. We will miss her. We ask God's Blessings on Kristin and her husband as they begin their lives together while serving Jesus in a new congregation.

We have Graduation on the 20<sup>th</sup> and Closing Service on the 21<sup>st</sup>. The 135<sup>th</sup> year of school at St. Paul will be complete. My, how time flies when you're having fun!!!

Thank you for all your prayers and support this year.

Duane Giesselmann, Principal

**ST. PAUL ALUMNI:** *Congratulations to Matthew Pritchett who made Dean's List at Rolla University.*
