Organ Repair Update

We would like to say thank you for all of the generous donations for the Organ repair fund. We are in the process of completing phase 2 of the organ renovations. To continue with the third and final phase, we still need your support of contributions and memorials. The cost is approximately \$56,050. We would like to have the organ repairs completed by the end of 2019. This will be the 70th anniversary of the installation of the organ. Upon completion we would like to dedicate this project in memory of Jim Schifferdecker.

Stewardship Moment:

Romans 6:19 “For just as you once presented your members as slaves to impurity and to lawlessness leading to more lawlessness, so now present your members as slaves to righteousness leading to sanctification.” To be sanctified means to be set aside for God’s purposes. St. Paul encourages us to see ourselves, our bodies, our souls, and all that we are as set aside for God’s work – in all that we do whether in the home, church, or society at large.
