Our Mission:

“ In Christ we strengthen the saved and seek the lost”

You can read the Bible on your phone because of Luther.

We love and treasure the Word of God. The Scriptures are our sole source for doctrine and practice. The Scriptures deliver Christ to us, and for this we rejoice. Luther desired that every person have access to the Word of God. He translated the Bible into German so that every person could read it. A result of Luther's translation was the proliferation of Bible translations, and today, the multiplicity of media through which God's Word is freely available.

Starting on Monday, August 7, we will hold a four week class for those who would like to know more about being a Lutheran. It will focus on those coming from other denominations to affirm similarities and explain differences. It should give the basics for membership with most backgrounds, with some addition instruction in some cases. The Small Catechism will be the text book. If that time does not work for you, contact the church office, so the Pastor can work with you individually.

Stewardship Moment:

Matthew 14:17-18 "They said to him, "We have only five loaves here and two fish." ¹⁸ And he said, "Bring them here to me.'" When the disciples held on to the five loaves and two fish – that's exactly what they had. But when they handed them over to the Lord, the multitudes are fed. Apart from Jesus all we do and all we have is nothing – but in Jesus all we do and have is blessed to be used by the Lord for His gracious work.
