Our Mission:

“ In Christ we strengthen the saved and seek the lost”

You can read the Bible on your phone because of Luther.

We love and treasure the Word of God. The Scriptures are our sole source for doctrine and practice. The Scriptures deliver Christ to us, and for this we rejoice. Luther desired that every person have access to the Word of God. He translated the Bible into German so that every person could read it. A result of Luther's translation was the proliferation of Bible translations, and today, the multiplicity of media through which God's Word is freely available.

But where do we place our hope, our trust – our *vision*? Where do we look for aid and comfort? When Peter’s eyes were on the Lord, he had confidence. When he turned to look at his problems and took his eyes off the Lord, he fell apart. Sometimes God’s call to support the work of His Church with our offerings makes us
