Your good works are done in response to salvation. Justification by grace through faith does not mean good works are bad, but puts them in their proper role. We live according to God's will out of

## Stewardship Moment:

**Luke 19:45-46** “And he entered the temple and began to drive out those who sold, [46] saying to them, “It is written, ‘My house shall be a house of prayer,’ but you have made it a den of robbers.” The sellers in the temple were doing the right thing in the wrong place. Being a merchant is a fine occupation that is pleasing to God. But using the Lord’s House for your personal gain? That makes a mockery of what Church is for. This is God’s House where we come to hear His Word and offer Him our worship and praise in word and deed. We’re not looking for a profit here, we’re looking to give back and support the preaching of God’s Word and the Church’s care for the poor and needy.
