Our Mission:

“ In Christ we strengthen the saved and seek the lost”

Diet of Worms.

Yuck ... How did Luther get so fat? Luther obviously didn't stick to his diet. A Diet was an imperial meeting of the Holy Roman Empire. Official business was conducted that changed things throughout the empire. Luther was called to the Diet that took place in Worms, Germany. There, he was told to say he recanted of what he wrote and taught. Luther responded that he could not in good conscience deny his writings because they proclaim the truth of the Holy Gospel of Jesus Christ. Here I stand.

Stewardship Moment:

Matthew 16:26 – “For what will it profit a man if he gains the whole world and forfeits his life?” He who dies with the most toys...is dead. But the one who trusts in the Lord, even though he dies, yet shall he live. We live out our trust in the Lord by faithfully fulfilling the roles God has given us to play in home, church, and society as loving, generous people. Those who don't know the Lord are afraid to be generous because they think that what they give away is lost to them. But we who know the Lord know that the things of this world become true blessings when they are used for God's Kingdom.
