Augsburg Confession

The Lutherans stood before the entire world and confessed. Given the opportunity to say what they believe, they freely and joyfully confessed the truth that God justifies sinners by grace, through faith, for Christ's sake. The Augsburg Confession was read out loud on June 25, 1530, during the Diet of Augsburg. Written by Philipp Melanchthon, this document explained the faith of the Christian Church as taught by Luther in accordance with the Scriptures. Article IV contains the central confession of how God saves people. Read it. Especially Article IV.

Stewardship Moment:

Ephesians 3:14-15 – “For this reason I bow my knees before the Father, from whom every family in heaven and on earth is named.” We have a Father in heaven. He cares for us. He knows how to give us all good things. This knowledge frees us from worry and anxiety. Jesus returned to this theme again and again, and we should take Him at His Word: our Father will care for us, so we can be secure in generosity and faithful living.
