Stewardship Moment

Acts 2:1 – *“When the day of Pentecost arrived, they were all together in one place.”* Pentecost was the Old Testament harvest festival: a time of thanksgiving, bounty, and the giving of gifts. How appropriate that in the New Testament it takes on the meaning of a new harvest: the ripe fields of the nations, bringing in the elect of every tribe and tongue to sing the Lord's praise. Every farmer knows that it is God who gives the increase and that the harvest calls for thanksgiving.

Balance the Budget

God continues to bless us and we are thankful and excited for the positive changes he has in store for us as we close this fiscal year and prepare to start a new fiscal year. One of the greatest blessing is God calling Pastor Steve Constein to St. Paul who will be starting in a few weeks. Part of the responsibilities he charges us with is to trust him and be responsible with the gifts he provides us. As we enter into the last month of our fiscal year, we have the opportunity and challenge to finish the year meeting our financial responsibilities. In order to meet our June financial obligations, we must raise \$59,500 in tithes and faith promises. Our Church has done an awesome job in managing expenses which continues to come well below budget. Church leadership is asking everyone to prayerfully consider how God has blessed you and how you and your family can contribute toward meeting St Paul's financial responsibilities. You will be kept informed on the progress on meeting this need and finishing the year with a balanced budget.

Ladies Aid Needs Help: Would you like to learn how to make pretty quilts? Members of the Ladies Aid would be glad to teach you. We are in need of ladies to do cutting, piecing, and quilting. In past years, we have done hand piecing and quilting, but we are also willing to use piecing done on machine. We make quilts and sell them or we give them to fund raising events for the church and school. We also make quilts for members and others for a fee. Our quilt donated to the 2018 School Auction brought over \$2000. If you can use a scissor, stitch small seams by hand or machine, or hand quilt, please join us on Wednesdays, 9 am – 4 pm, in the Ladies Aid room (located under the church proper, use north entrance off the driveway to the garage). If you can spend the day, bring a sandwich for lunch. If you have questions, contact Susan Faenger 518-3260 or Dorothy Blumenberg 760-1271.

Organ Repair update:

Thanks to your generous support, Phase 1 & 2 have been completed. We have \$10,000 toward Phase 3, our final restoration, at cost of approximately \$60,000. We need to restore the right chamber with new mechanic and pipes. We hope to complete this project by the end 2019 as this marks the 70th year since the organ was purchased and installed. Thank you, Joanne Henderson, Leslie Jones, Ann Mell, Miriam Sutherland
