Stewardship Moment

Luke 16:8-9 – "For the sons of this world are more shrewd in dealing with their own generation than the sons of light. And I tell you, make friends for yourselves by means of unrighteous wealth, so that when it fails they may receive you into the eternal dwellings." The things of this world, including wealth, are merely tools: they can be used for good or ill. They can be squandered or used efficiently. How we use them will be determined by what is most important to us. What is most important to you in your life? Does the way you use the things of this world reflect that?
