### Stewardship Moment

**1 Thess. 5:8 – “But since we belong to the day, let us be sober, having put on the breastplate of faith and love, and for a helmet the hope of salvation.”** Our salvation is secure in Christ: He has done it all to save us. Therefore, our hope is secure and our faith in Him is certain. And what goes with faith and hope? Love. Our good works of love flow forth from the certainty of our faith. Our giving back to the Lord's work comes from what He has first given us.

**First S. Advent**

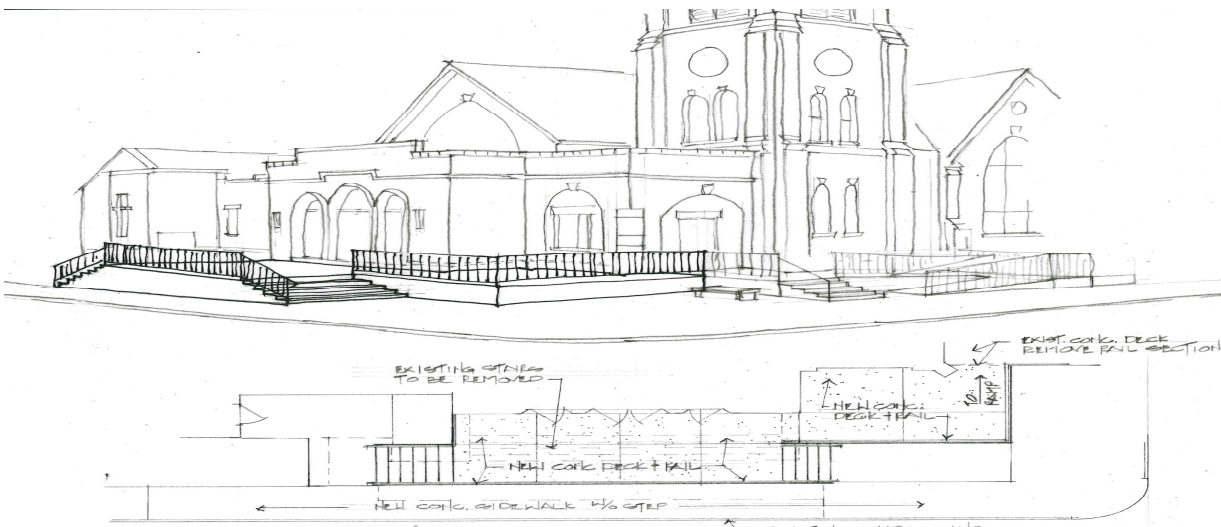

A Main Calendar is now set up in the commons to view scheduled events.

If you would like to reserve the facility for an event you will need to fill out forms and get them back to the office to be added to the schedule

We will be using the poinsettias to decorate the altar. They are \$10.00 each. If you would like to give one in memory of a loved one, in honor of someone or some special event, or for blessings received, complete the form and return as directed to the office.

The Ladies Aid of St. Paul have proposed an improvement be made to the church entry for safety reasons. This would include the steps, sidewalks and entry deck. Over the years falls have resulted in broken bones and many scrapes and bruises. The uneven steps and awkward reach from the rails to the doors have contributed to the problem. We are proposing a flat deck be constructed from the doors to the sidewalk. Steps would be built on either side of the deck to the sidewalk. Also suggested is decking to be built from the front to the side entry. Because of rules for ramps, we could then expand the side ramp so that caskets could make the turn. (See the Architect's suggested drawing at the entrance to the church.) The Ladies Aid have designated \$3000 to start the fund for this project. They will add funds as money becomes available. We can not give a total cost for this project until drawings are complete and approved. However, we anticipate it will be over \$20,000. Anyone who would like to contribute to this project can do so by using a "Designated Envelope" and mark it "Church Entry Project". Make checks payable to "St. Paul Church Entry Project".
