Ways to Financially Support Your Church

Automated Contributions (ACH). The easiest way to contribute to the church is by ACH. This allows you to make regular donations from your checking, savings, or credit card account. The forms to start or change automatic payments are located in the narthex of church or call the office to get one 756-7872. Remember to include a voided check to start or change bank accounts.

Internet Banking. If you do not sign up for ACH, you can still enjoy the ease of automated payments. Many banks allow you to make one-time or multiple payments online. Use your bank's web site and follow their instructions. Remember, your payment should tell us what it is for: Sunday Offering, etc. Please use your envelope number as an account number for church.

This option for giving is not only easy, it's also safe and secure. This option helps individuals and families remain faithful in their giving even when they are out of town or unable to attend a weekend Services.

Front Entry Project: All the work is complete on the platform and steps. It will be open for use beginning this weekend, 9/5 and 9/6. We would like to point out that the platform and church entry is on the same level.... no step up into the church. The landscaping and decorative brick work on the front of the platform will be completed soon. Again, thank you to all who contributed to this project. Special thanks to Jeff Fink for the many hours he spent on the project.

Cemetery Fund This is a gentle reminder to everyone. Please remove the old decorations in the St. Paul Lutheran cemetery as it is mowing season again. If you would like to make a donation to the cemetery fund to help keep it looking nice, just use a designated envelope or mark one saying "Cemetery Fund." Thank you for your donations to this project.

Reminder that for those who desire extra distancing there is plenty of room at the 4:45 and 6:00pm Saturday services, Please feel free to wear mask at any of our services, as there has been an uptick.
