St. Paul collects aluminum cans for recycling. You can drop them off in the bin between the church & the brick house.

To My St. Paul Church and School Family,
How do you express gratitude to individuals when the words "Thank You" just don't seem enough? I am going to attempt to do just that with the following sentiments. In October, the evil one attempted to derail me. I ended up in the hospital - fighting for my recovery. At times I felt scared, alone, unsure what my future would hold. The one confront thing I did feel was the knowledge that no matter what happened God would never let me go. I knew God had a plan for me and even though I might not understand it I knew it would ultimately be what was best for me. I understood that God may not give me what I asked for but he would give me what I should have asked for.

The love I felt from my church and school family, from the very beginning, helped me so much to stay strong in my faith. The prayers and cards and visits and all the well wishes mean so much to me. God did use this experience to teach me exactly what it means to "love thy neighbor as thyself". I felt so loved and at a time when I needed it the most. Thank you for making the effort to pray for me, during my illness. Praise God that your prayers were heard and God is healing me according to his will. I thought for a while God was going to call me home but now I believe my work here is not done.

May God bless each of you for the love you showed to me and Kay. God loves each and every one of you and so do I
Bob Thurman

The Nativity of our Lord
