### What's next for St. Paul...

We have recently commenced a process to kick off a Strategic Planning Process for our Church and Schools.

We have chosen a Planning Group, Prayer Group and involving outside resources within our local community to assist a comprehensive review of our needs and mission moving forward over the next 5-10 years.

The complete Agenda is in a very early process of being formulated, but will review financial needs, resource needs and goals to be achieved on a year by year basis moving forward. We have been very fortunate in securing facilitation help from Pastor Bill Geis from our LCMS Missouri District and have recently identified proposed committee members and a dedicated prayer group to support this very important work. Bob Thurman is chairing the committee. We held an initial kick off meeting on 30<sup>th</sup> July, and will report back our progress on a regular basis.

Please keep this process in your prayers, and we look forward to your input and participation!
